 - But also a Delaware Valley
 - Same thing we did with Memphis
- George's seminar is on the LEAN web page
- Leadership webinar this afternoon 33 attendees
- Craig was monitoring leadership webinar from Italy
- Getting ready to launch vBulletin next week
- On the old board you would have spurts of interest

Research

- Hard to separate variables
- Sometimes separate but they don't always fit back together
- Building a management institute
- Summer is easier to get facilities need about 30-60 days
- SME is a neutral party

Webinar

- We should be able to host one
- highly interactive
- Can insert a "voting" slide
- If the team could agree on a topic
